Jeff,

We have decided to try running a early trolley on Saturday mornings. We plan on tracking ridership to determine if there is any interest.

Attached is the flyer showing the routes and schedules.

Best regards,

Jeff,

Great meeting with you today, thank you for your time. I will work on the February Trolley schedule and continue working with you on building the ports America and downtown trolley program.

I will fill Lorena (CC'd) in of our conversations earlier and will send the updated trolley schedule for February.

We will extend the trolley operating hours to start much earlier and add berths 92 & 93 to the route.

Thank you again,
